CAMPUS CRUSADES!

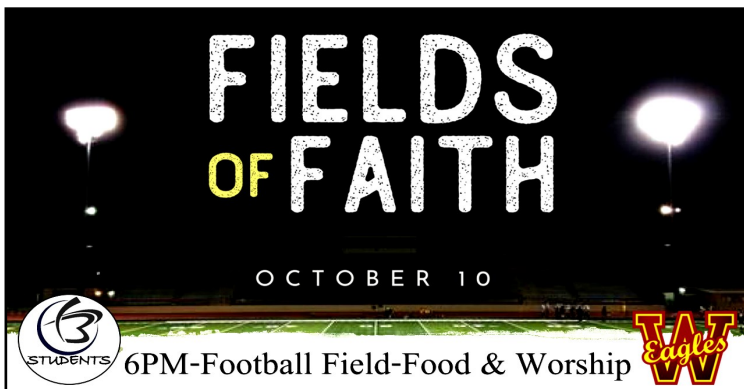

School has been in session a little over a month and FBC Warner Students is leaving the handprint of Christ everywhere they set foot on their campus!

Today, September 26th, 2018, was the nationally recognized See You At The Pole where all over the country thousands of youth gathered around their school's flag pole to pray for their lost friends, school, country, etc. This morning we saw approximately 60 students owning their faith and voicing out to our Heavenly Father.

Another group making headway in our schools is Teens For Christ. Both JH and HS students meet for T4C at lunch for a time of Bible study, prayer, encouragement, etc. FBC Warner Students has represented well!

At church we recently had our annual Draft Night where our Adult Leaders drafted students onto teams for the next 4 months! Currently we've been going through the book of Ephesians, and one young man recently gave his life to Jesus! Continue to pray for these students!
