LIFE ON MISSION!

What an incredible month March has been in the life of FBC Warner Students. Surr3nDer Student Ministry has been diving deep into the new mission that Jesus gives to every single person who trusts him as Lord & Savior.

The talk has been great, but it's been living out this new mission that's been the greatest of blessings. During Spring Break we had a team of 10 students and 7 adults travel north to Des Moines, Iowa, on our second Urban Plunge Mission Trip. What a week it was!

Bickford Assisted Living, Joppa Outreach to the homeless, Children and Family Urban Movement, Bidwell Food Pantry, and Meals from the Heartland are a few ministries we partnered up with to share the love the love Jesus to the people around us.

Upcoming in April, the youth and adult men are going their annual Rewired Men's Retreat, and to close the month is our 2nd Breakout of the year! Spring Breakout will be Sunday, April 29th. Continue to pray for our amazing students and families!
