A NEW IDENTITY!

After taking our biggest group perhaps ever to Falls Creek this summer (a total of 68 students), God began to show me that we have students not just representing the community and school of Warner, but schools and communities from all over.

We have students who attend Warner, Muskogee, Stigler, Webbers Falls, Porum, Gore, Hilldale, Oktaha, and possibly Checotah Public Schools! With this new information, God began to impress upon my heart a new identity for First Students here at FBC Warner:

The MIX Students!

The MIX is a gathering of students who attend multiple schools that exists to connect to, grow in, serve like, and reach others for Jesus!

We have seen so many students saved and baptized over the past couple of months, and we're just getting started! Continue to pray for spiritual growth & maturity!

UPCOMING EVENTS:

Prayer, donuts, juice @ 7 AM at the flagpole of WHS! Youth Rally in the evening at Muskogee's FBC! Encouraging all students to
