Sunday Morning - Titus 3:1-11

Regeneration is defined as "the other divine side of conversion. It is completely God's doing. It is God's transformation of individual believers, his giving a new spiritual vitality and direction to their lives when they accept Christ...it involves something new, a whole reversal of the person's natural tendencies"

Followers of Christ have been saved in order to do _____.

Salvation is not about the goodness in our _____ but the _____ that God has for us.

_____ is a recognition of and catalyst for this divine saving work.

The imperative for the unbeliever:

You must be _____.

Baptist Faith and Message:

Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Savior.

The imperative for the believer:

Look at the unbelieving world this _____.

God is after a _____ who are gracious because he is gracious; who treat others as they have been treated.
