Meet
William & Nancy Potter

Bethany, Council Road

Serving in
Southeast Asia

Send a prayer or word of encouragement to:
marcnann@gmail.com

William and Nancy Potter have served in Southeast Asia for 23 years. They operate a water purification factory that makes household water filters and teach health groups in rural places, which open doors. They get the joy of seeing people accept Christ, as alcoholics leave alcohol and their abusive relationships and become loving, Christlike homes. They have also seen blessings on their family as Christ meets the needs of their children, though they are across the world at university.

How to Pray:

Pray for peace, joy, and patient endurance for the Potters as they send their kids to college.

Pray for godly friends for their kids.

Pray for the unreached people in their country, whose hearts are cold toward Jesus.
