Randy and Anita Jordan work in Auckland, New Zealand. They are reaching out to international and Pacific Island students. Auckland is an international city full of international students. Many students are hearing about Jesus for the first time, and they get to introduce them to Jesus. Then they walk beside them as they search for truth, meaning, and purpose. The Jordans enjoy inviting students to their apartment for a weekly meal and a discussion about the Bible.

#### How to Pray:

Pray the Jordans will have opportunities and open doors so they can meet new students.

Pray the Jordans will be granted a long-term visa.

Pray many students will grow in knowledge of God, enter into a relationship with Him, and be discipled before they return to their home countries.

"God, you have taught me from my youth, and I still proclaim your wondrous works. Even while I am old and gray, God, do not abandon me, while I proclaim your power to another generation, your strength to all who are to come!" Psalm 71:17-18, CSB
