Anna and Seth serve as missionaries in São Paulo, where they focus on sharing the Gospel and making disciples among the many university students in the city. They do this by building relationships on campus, engaging in evangelism, and helping students grow in their faith and reach others with the Good News.

How to Pray:

Pray for Anna and Seth's language learning, that they would grow in their ability to communicate the Gospel of Jesus clearly and naturally in Portuguese.

Pray for open doors on university campuses, since missionaries are not allowed on campuses.

Pray for Gospel encounters, that unbelieving students would come to know Christ and that young believers would grow as disciples who share their faith with others.

"Now we have this treasure in clay jars, so that this extraordinary power may be from God and not from us."
2 Corinthians 4:7 (CSB)
